FORMAL **PhD in Demography and Health Sciences**
EDUCATION University of Southern Denmark and Max Planck Institute for Demographic
 Research. 12/02/2020

 European Doctoral School of Demography, Sapienza University of
 Rome & Max Planck Institute for Demographic Research. 30/06/2016.

 M.A. Demography, El Colegio de México, Mexico City. 30/06/2014.

 B.Sc. Actuarial sciences and mathematics, Universidad Autónoma
 de Guadalajara, Guadalajara, Mexico. Summa cum Laude, 30/06/2009.

POSITIONS, **Newton International Fellow.** Department of Sociology, Leverhulme
PROFESSIONAL Centre for Demographic Science and Nuffield College, University of Oxford.
EXPERIENCE 31/03/2020-Present.

Assistant Professor. Interdisciplinary Centre on Population Dynamics,
 University of Southern Denmark. 01/06/2020-Present.

Guest researcher. Max Planck Institute for Demographic Research.
 2015-2020.

Consultant (regular basis). World Bank. Projects: Health Profile for
 Saudi Arabia and Age- and Cause-Decomposition of the Difference in Life
 Expectancy in Latin American and Caribbean Countries. 2016-2020.

Research Assistant. Max-Planck Odense Center on Biodemography of
 Aging. University of Southern Denmark. 2016-2017.

Assistant Director. Demographic Analysis/Census Division. National
 Institute of Statistics and Geography (INEGI), Mexico. 2010-2012.

Risk Account Analyst. AON Risk Services (Mexico). 2006-2009.

RESEARCH SUPPORT	Marie Skłodowska-Curie Individual Fellowship (PI). From EU Commission Horizon 2020. 224,933.76€	2020
	Newton International Fellowship (PI). From the Royal Society and British Academy. 100,500£	2019
	Life length and life disparity research network (PI). Danish Ministry of Education. 38,350€	2019
	Funding for research stay at Universidad Autónoma de Barcelona (PI). Faculty of Health Sciences. 2,403€	2019
	Funding for research stay at INED (PI). French National Institute for Demographic Studies. 2,040€	2018
	World Bank (co-PI). Commissioned. Title: Health Status of the Population of Saudi Arabia. 19,515\$	2018
	World Bank (co-PI). Commissioned. Title: Longevity in Latin America and the Caribbean (LAC). 12,762\$	2017
	Health sciences fellowship (PI). University of Southern Denmark. (369,109.24DKK) 49,215€.	2016
	National Council of Science and Technology (CONACYT). Funding for a research stay at University of Wisconsin-Madison.	2014
	National Council of Science and Technology (CONACYT) Studentship to pursue MA.	2012
AWARDS & FELLOWSHIPS	National Program of Fellowships (PRONABE). Studentship to pursue BSc degree.	2005-2009
	2021 European Demographer Award. Promising and upcoming researcher by Population Europe.	2021
	Marie Skłodowska-Curie Individual Fellowship. Major research fellowships created by the European Union.	2020
	Newton International Fellowship. Established by the Royal Society and British Academy.	2019
	Best poster award WIC Conference on Demographic Aspects of	

Human Wellbeing for the paper “Beyond differences in means: rising mortality stratification among income groups in Finland, 1996-2014” led by Jiaxin Shi and mentored by me during EDSD. 2019

Best poster award Population Association of America
Homicides in Mexico increased inequality of lifespans. 2018

Editor’s choice for the paper: “Mexico’s Epidemic of Violence and its Public Health Significance on Average Length of Life” In *Journal of Epidemiology and Community Health*. 2017

TEACHING EXPERIENCE

2020 - Present. **Lecturer**. Demographic Analysis. University of Oxford.

2019 - Present. **Lecturer**. Basic Mathematics for Demographers. Max Planck Institute for Demographic Research.
European Doctoral School of Demography.

2018 - Present. **Lecturer**. Mathematical Demography: Decomposition techniques for health research. University of Southern Denmark, European Doctoral School of Demography.

2018. **Lecturer.** Demography & Economics. University of Southern Denmark.

2018. **Lecturer.** An introduction to Shiny apps for health and demographic research. Workshop at Australian National University.

2017-2018. **Teaching Assistant.** Biostatistics I. University of Southern Denmark.

MENTORING
EXPERIENCE

Jesús Daniel Zazueta. University of Southern Denmark. *European Doctoral School of Demography 2019-20.*

Serena Vigezzi. INED. *European Doctoral School of Demography 2019-20.*

Jiixin Shi. Max Planck Institute for Demographic Research. *European Doctoral School of Demography 2018-19.* Project: Beyond differences in means: rising mortality stratification among income groups in Finland, 1996-2017. Winner of the poster session at the conference *Demographic Aspects of Human Wellbeing.*

Orsola Torrisi. London School of Economics. *European Doctoral School of Demography 2018-19.* Project: Armed conflict and the timing of childbearing in Azerbaijan. Published in *Population Development Review.*

WORKSHOPS &
CONFERENCE
ORGANIZATION

2021 Organizer of the session “Lifespan inequalities around the globe’ at the Population Association of America conference in St Louis, USA.

2021 Organizer of the webinar “New perspectives on lifespan inequality’ University of Oxford, UK.

2020 Session Organizer. Violence in Latin America. Asociación Latinoamericana de Población virtual meeting.

2020 Workshop & Seminar on mortality. SDU and University of Campinas and University of Minas Gerais in Brazil. (Postponed due to Covid-19)

2020 Workshop & Seminar on Inequalities in health, longevity and aging. SDU and Tel Aviv University in Israel.(Postponed due to Covid-19)

2020 Organizer of the sessions “Life expectancy and lifespan inequality” and “Life expectancy trends in the USA” at the Population Association of America conference in Washington DC, USA. (Cancelled due to Covid-19)

- INVITED TALKS
14. *Forthcoming*. **Keynote at the Young Demographers Conference.** Charles University, Prague. 2021
 13. *Forthcoming*. **Inaugural Lecture – Program of Demography.** University of Campinas, Brazil. 2021
 12. **Covid-19 and Violence: The challenges ahead.** Plenary session for the Latin American Population Association (ALAP) conference. 2020
 11. **Leveraging formal demography to understand lifespan inequality trends.** Brownbag Demography Seminar. Department of Demography, University of California, Berkeley. 2020
 10. **The double burden of violence on longevity: shorter and more variable lifespans.** Department of Zoology, University of Oxford. 2020
 9. **Global contribution of violence to lifetime uncertainty.** Department of Sociology, University of Oxford. 2020
 8. **Global contribution of violence to lifetime uncertainty.** Universidad Autónoma de Barcelona 2019
 7. **Latin America’s epidemic of violence.** INED 2018
 6. **Latin America’s epidemic of violence.** Australian National University 2018
 5. **The impact of violence on lifespan inequality in Mexico.** Tel Aviv University. 2018
 4. **La epidemia de violencia en México y su impacto en la salud de la población.** CIDE Region Centro, México. 2018
 3. **Life expectancy and lifespan equality: a long run relationship.** Max Planck Institute for Demographic Research, MaxNet aging. 2017
 2. **Pace and Shape of real vs lifetable’s age at death distributions.** Max Planck Institute for Demographic Research, MaxNet aging. 2017
 1. **Violence in Mexico in the first decade of the XXI century.** Sapienza

REVIEWING
ACTIVITIES

Grants: ERC Starting Grant panel (remote reviewer), Barcelona's La Caixa Foundation.

Journals: BMJ, The Lancet Public Health, International Journal of Epidemiology, American Journal of Public Health, Health Affairs, Demography, Population Studies, BMJ Global Health, BMJ Open, BMC Public Health, Journal of Epidemiology and Community Health, Journal of Gerontology: Biological Sciences, Social Science & Medicine, PlosOne, Population Health Metrics, Demographic Research, European Journal of Population, Scandinavian Actuarial Journal, Epidemiology, Journal of Research in Crime and Delinquency, F1000Research, International Journal of Health Policy and Management, Injury Prevention, Theoretical Population Biology, Mathematical Social Sciences, Genus, Estudios Demográficos y Urbanos, Papeles de Población.

RESEARCH
STAYS

01/10/2019-30/11/2019. **Visiting Scholar.** Demographic Center Studies (CED), Universidad Autónoma de Barcelona.

01/12/2018-04/01/2019. **Visiting Scholar.** Institut national d'études démographiques.

01/10/2018-05/11/2018. **Visiting Scholar.** Australian National University.

01/03/2014-01/05/2014. **Visiting student.** University of Wisconsin-Madison.

01/08/2009-15/12/2009. **Visiting student.** Mathematics Research Center (CIMAT).
