FORMAL **PhD in Demography and Health Sciences**
EDUCATION University of Southern Denmark and Max Planck Institute for Demographic Research. Topic: “On the relationship between life expectancy and lifespan equality”. Academic advisors: James W. Vaupel, Alyson van Raalte and Vladimir Canudas-Romo.
 01/12/2016-12/02/2020

 European Doctoral School of Demography, Sapienza University of Rome & Max Planck Institute for Demographic Research.
 15/09/2015-30/06/2016.

 M.A. Demography, El Colegio de México, Mexico City.
 15/08/2012-30/06/2014.

 B.Sc. Actuarial sciences and mathematics, Universidad Autónoma de Guadalajara, Guadalajara, Mexico.
 01/08/2005-30/06/2009.

POSITIONS, 31/03/2020-Present. **Newton International Fellow**. Department of
PROFESSIONAL Sociology, Leverhulme Centre for Demographic Science and Nuffield College,
EXPERIENCE University of Oxford.

01/06/2020-Present. **Assistant Professor**. Interdisciplinary Centre on Population Dynamics, University of Southern Denmark.

01/07/2017-Present. **Consultant (regular basis)**. World Bank. Projects: Health Profile for Saudi Arabia and Age- and Cause-Decomposition of the Difference in Life Expectancy in Latin American and Caribbean Countries.

01/09/2015-31/12/2020. **Guest researcher**. Max Planck Institute for Demographic Research.

01/08/2016-30/11/2016. **Research Assistant**. Max-Planck Odense Center on Biodemography of Aging. University of Southern Denmark.

01/02/2010-01/08/2012. **Assistant Director.** Demographic Analysis-Census Division. National Institute of Statistics and Geography (INEGI), Mexico.

5/06/2011-15/06/2012. **Research Assistant.** “Derecho a la Identidad: la cobertura del registro de nacimiento en Mexico en 1999 y 2009”. INEGI-UNICEF.

15/08/2007-01/06/2009. **Risk Account Analyst.** AON Risk Services (Mexico)

RESEARCH
SUPPORT

Marie Skłodowska-Curie Individual Fellowship. From EU Commission Horizon 2020. 224,933.76 EU 2020

John Fell OUP Research Fund. Demographic science and COVID-19 in the UK. (Co-Investigator). With Dowd, J.B. (PI) and Rotondi, V., Rahal, C., Mills, MC., Kashyap, R. and Block, P. 49,981£

Newton International Fellowship. From the Royal Society/British Academy. 100,500£ 2019

Life length and life disparity research network. Danish Ministry of Education. Co-PI. 38,350EU 2019

Funding for research stay at Universidad Autónoma de Barcelona. Faculty of Health Sciences. 2,403EU September-October 2019

Funding for research stay at INED. French National Institute for Demographic Studies. 2,040EU December 2018

Title: Health Status of the Population of Saudi Arabia. Description: To compare mortality trends across time in SA as well as construct a burden of disease study. Agency: World Bank. Role: Co-PI. 19,515USD Term: 2018

Title: Longevity in Latin America and the Caribbean (LAC). Description: To compare mortality trends across time and the LAC region versus EU. Agency: World Bank. Role: Co-PI. 12,762USD Term: 2017

Health Sciences Faculty fellowship, University of Southern Denmark. (369,109.24DKK) 49,215EU. 2016

National Council of Science and Technology (CONACYT) funding for a research stay at University of Wisconsin-Madison. Spring

2014

National Council of Science and Technology (CONACYT) Studentship to pursue Master degree. 2012-2014

National Program of Fellowships (PRONABE) Studentship to pursue BSc degree. 2005-2009

AWARDS & FELLOWSHIPS **2021 European Demographer Award.**
Promising and upcoming researcher by Population Europe. 2021

Marie Skłodowska-Curie Individual Fellowship.
Major research fellowships created by the European Union. These fellowships are among Europe's most competitive and prestigious research and innovation awards. 2020

Newton International Fellowship. Established by the Royal Society, British Academy, and Royal Academy of Engineering, the Fellowships are awarded annually to approximately 40 of the most outstanding early career academics from across the world. 2019

Best poster award WIC Conference on Demographic Aspects of Human Wellbeing for the paper "Beyond differences in means: rising mortality stratification among income groups in Finland, 1996-2014" led by Jiaxin Shi and mentored by me during EDSD. 2019

Best poster award Population Association of America 2018
Homicides in Mexico increased inequality of lifespans. 2018

Editor's choice for the paper: "Mexico's Epidemic of Violence and its Public Health Significance on Average Length of Life" In *Journal of Epidemiology and Community Health*.
